והלכת בדרכיו Walk in the ways of G-d – the Almighty is a giver because there is nothing for him to take, he is the konei hakol, the owner of everything. Therefore if we want to emulate G-d we need to become givers as well. This is the very essence of life in this world as we are taught **עולם חסד יבנה** the world is built on kindness. This is the first reason that the Torah gives for marriage, as it says **לא טוב היות האדם לבדו** – it is not good for man to be alone, for when he is alone he only caters to himself, it's me myself my shadow and I. In marriage as in life it's not about you it's about the next person and marriage is the chief laboratory that allows us to follow in G-d's ways and trains us to be the ultimate givers!

Wishing you a great and inspiring day!
