### **The Dose**

Friday November 13, 2015, Kislev 1 , 5776

**Sponsored by: Susan and Aaron Weinberg**

in honor of our Rav, Rabbi Moshe Gruenstein for his teaching and spiritual leadership.

The Talmud tells us that even if a sharp sword is lying on the neck of a person he should not give up. With prayer to G-d all things are possible. So no matter what problems a person is facing, whether it be health, finance, or relationships, with prayer all hope is not lost for with an all-powerful G-d the word impossible does not exist. As the saying goes, "Don't tell G-d how big your troubles are, tell your troubles how big G-d is".

Wishing you an inspiring day!

Rabbi Moshe Gruenstein
