

TAKE THE BETH EL SURVEY

THE STRATEGIC PLANNING COMMITTEE INVITES YOU TO HELP DETERMINE BETH EL'S FUTURE!

The entire congregation is participating in an online survey as part of the new USCJ-sponsored Sulam Strategic Planning Process. The Committee is trying to learn more about who we are as a community, and what we are looking for from our shul.

A link to the survey is available at:

bethelnj.org

The survey takes less than 15 minutes, its completely anonymous, and almost 100 members have already completed theirs! Make sure your voice is heard!

Surveys need to be completed by September 12.
