Walk-Around Tasting

Pier Sixty, New York City

Dear Friends,

We are delighted to welcome you to the second edition of Vinous Icons New York.

Our team of critics has selected a group of the world's most dynamic wineries for this weekend of curated seminars and tastings. The wines chosen for Vinous Icons are foundational, reference-point wines from top vintages. The best of the best. Vinous Icons is the perfect opportunity to further your knowledge by hearing directly from owners, winemakers and other industry professionals. Critics Neal Martin, Eric Guido, Joaquín Hidalgo, Nicolas Greinacher and Billy Norris will be on hand to add their unique perspectives to those of the winemakers. Whether this is your first time attending a Vinous event or you are a regular, we hope you enjoy the program.

We could not be more thrilled to be back in New York!

Cheers!
