ADDITIONAL INFORMATION Warranty Code Found Here

This warranty is for products that carry the specific warranty codes listed on the law tag and on the chart below. For previous warranty brochures visit the customer care section at www.serta.com.

VALIDITY OF WARRANTY
This warranty is null and void if:
• DO rotate your mattress as needed, this will promote even wear as the warranty code number. To determine the terms of your warranty, match the warranty code with the appropriate line in the warranty schedule.
• DO use an appropriate frame with center support on Queen and King-size sets to ensure proper support of your warranty.
• DO use your new sleep set “as is” upon removal from its plastic packaging. Discard the plastic wrapping on your mattress as soon as possible; a child or pet can become entangled and suffocate.
• DO keep your bedding clean and use a mattress protector. Stains, soiling, fluid penetration or other signs of abuse may invalidate the warranty and make your buyer eligible for repair or replacement.
• DO replace the foundation when purchasing a new mattress to provide the proper support for your new mattress.
• DO store your mattress upright on its side. It is easier to handle and less likely to damage the mattress. If you need to store your mattress for an extended period of time, store it flat.

YOUR SERTA MATTRESS WILL NOT BE SUBJECT TO THE FOLLOWING IF:
• DO rotate your mattress as needed, this will promote even wear.
• DO use an appropriate frame with center support on Queen and King-size sets to ensure proper support of your warranty.

LABELING OF LAW TAG

IN CASE OF FIRE, EXIT AND THEN CALL 911
IN ORDER TO REDUCE THE RISK OF FIRE:
• DON’T smoke in bed. This is a common cause of fatal fires.
• DON’T keep kerosene lamps and lighters away from children.
• DON’T use candles on or around your bed.
• DON’T run electrical cords under your bed or trap them against a wall. Avoid placing lamps where they can fall on the bed.

DO’S AND DON’TS OF BEDDING CARE

PLEASE BE ADVISED: YOUR NEW MATTRESS IS NOT FIRE-PROOF:
Your new mattress meets the fire safety standards issued by the U.S. Consumer Product Safety Commission when used by itself or with a foundation specified on the federal law tag attached to the mattress. Compared to older mattresses, your new mattress will, if ignited, burn more slowly and less intensely, giving you more time to escape.

BED FRAME REQUIREMENTS

BEFORE DELIVERY:
• DON’T bend excessively or jump on your mattress when purchasing a new sleep set “as is” upon removal from its plastic packaging. Discard the plastic wrapping on your mattress as soon as possible; a child or pet can become entangled and suffocate.
• DON’T store your mattress upright on its side. It is easier to handle and less likely to damage the mattress. If you need to store your mattress for an extended period of time, store it flat.
