

The Consortium ▶ 12570 Turtle Creek Drive ▶ New Buffalo, MI 49117 ▶ info@imconsortium.org ▶ 269.264.9261 ▶ www.imconsortium.org

The Consortium is the organizational home for the major academic health centers and health systems in North America that have programs in integrative medicine and health.

As an organization we are committed to sharing information and ideas, meeting challenges together in a process grounded by the values of integrative medicine, supporting member institutions, and providing a national voice for the advancement of integrative medicine and health.

Consortium Mission

Advancing integrative medicine and health through academic institutions and health systems

Consortium Vision

A transformed healthcare system promoting integrative medicine and health for all.

Consortium Core Values

- ◆ Evidence Informed
- ◆ Transformation
- ◆ Interprofessional
- ◆ Leadership
- ◆ Integrity
- ◆ Community

Consortium Goals

SUPPORT

and mentor academic leaders, faculty & students to advance integrative healthcare curricula, research & clinical practice

DISSEMINATE

rigorous scientific research outcomes, integrative health educational curricula and sustainable clinical care models

INFORM

health care policy & practice

LEAD

the effort to transform the health care system to one promoting integrative medicine and health for all.

The Consortium was founded in 1999 by eight academic health centers including Duke University, Harvard University, Stanford University, University of California, San Francisco, University of Arizona, University of Maryland, University of Massachusetts, and the University of Minnesota. Now with 75 institutional members, the Consortium continues to grow and represents thousands of scientists, educators, clinicians and other health professionals who share an interest in the field of Integrative Medicine and Health.
