

Final assessments are held every thirteen weeks and allow students the flexibility to choose from a prescribed combination of formats, including online written, oral, or creative examinations.

Distance OPEN Format 1: The written assessment begins at 08h00, and students are allocated three hours and fifteen minutes to complete it. An oral assessment session will take place the next day.

Distance OPEN Format 2: The creative assessment starts at 08h00, with students having six hours and fifteen minutes to complete it. An oral assessment session will take place the next day.

Please note that all scheduled times are in South African local time.
