

Bachelor of Commerce (BCom) Honours in Supply Chain Management

SAQA ID: 117085

OVERVIEW OF PROGRAMME

Our Bachelor of Commerce Honours in Supply Chain Management is an IMM Graduate School qualification on NQF level 8 and is quality assured by the Council on Higher Education (CHE). You can complete this qualification in a year, but if life gets in the way, you have 4 years to wrap it up.

The Bachelor of Commerce (BCom) Honours in Supply Chain Management is an advanced level, higher education qualification suitable for students who aspire to be managers in organisations with specialisation in supply chain management.

IMM Graduate School's BCom Honours in Supply Chain Management is also accredited by the Chartered Institute of Logistics and Transport (CILT), the global body of international professionals for everyone who works within supply chain, logistics and transport.

This qualification will empower students with the competencies (knowledge, insight, skills, values and attitudes) necessary to positively contribute to the management of a modern integrated supply chain. The qualification places a huge emphasis on problem solving, therefore, students are equipped with the knowledge to assertively approach a plethora of unorthodox situations in each of the core supply chain areas. Moreover, students will be exposed to quantitative techniques and models for decision making in supply chain management.

MODE OF DELIVERY

The IMM Graduate School offers its qualifications primarily in an online distance format, augmented by a variety of additional content. The core material is available in a compelling digital presentation, complete with Pacers, self-assessment opportunities, links to further material, articles of interest, and more. This digital platform also serves as the primary point of contact and communication on academic and administrative matters with a dedicated team to respond to student queries.

The content delivery is supported by regular eMasterclasses recorded and posted on the eLearn platform. eDiscussions facilitate further student to lecturer interaction.
