

Higher Certificate in

Supply Chain Management

SAQA ID: 117683

OVERVIEW OF PROGRAMME

Our Higher Certificate in Supply Chain Management is an IMM Graduate School qualification on NQF level 5 and is quality assured by the Council on Higher Education (CHE). You can complete this qualification in a year, but if life gets in the way, you have 4 years to wrap it up.

The certificate is designed to provide students with a basic understanding of supply chain management as well as overall business management knowledge.

The Higher Certificate in Supply Chain Management is to provide students with the competencies required to engage in the processes and inter-relationships across the supply chain so as to create sustainable value for organisations.

MODE OF DELIVERY

The IMM Graduate School offers its qualifications primarily in an online distance format, augmented by a variety of additional content. The core material is available in a compelling digital presentation, complete with Pacers, self-assessment opportunities, links to further material, articles of interest, and more. This digital platform also serves as the primary point of contact and communication on academic and administrative matters with a dedicated team to respond to student queries.

The content delivery is supported by regular eMasterclasses recorded and posted on the eLearn platform. eDiscussions facilitate further student to lecturer interaction.
