

Green Certified Neutral Floor Cleaner

Low-cost, streak-free neutral floor cleaning with no sticky residue.

*"We found the use of Neutral Floor Cleaner to be helpful, especially with **regard to cost**. We have found that by simplifying to one or two products, our cost per student has improved. The use of hydrogen peroxide products has created a healthier environment."*

-Jerome, Facilities Manager

Green Certified Neutral Floor Cleaner outperforms conventional floor cleaning technology while raising the bar for health, safety and environmental impact. Pair with one of our multi-purpose cleaners for a complete low-cost system.

Use on any water-safe hard floor:

- Tile
 - Slate
 - VCT Flooring
 - Linoleum
 - Terrazzo
 - Athletic Flooring and more!
 - Marble
 - Travertine Tile
 - Rubber
 - Wood
- Use for mopping, auto-scrubbing, tile & grout—any hard floor application.
 - Clean with the power of hydrogen peroxide.
 - One-step ice melt residue remover!
 - Biodegradable. Low VOC's. Non-asthmagenic. Neutral pH.
 - No residue build up.

Simplicity.

- Pair Neutral Floor Cleaner with one of our multi-purpose products for a complete, low-cost, 2 product system that includes high-volume floor cleaning.
- Easy visual training materials. Train in Ten™ on only a few products instead of dozens.
- Safer, healthier products are practically impossible to misuse*.

Savings.

- Extend the life of your scrub & recoat by eliminating residue build-up.
- Don't be fooled by low case price; look at in-use product cost. Ask for your cost comparison today!

Amazing Results.

- Our unique, proprietary hydrogen peroxide technology penetrates deep, breaking down and lifting soils for easy cleaning with little residue. No more sticky floors!
- Less sticky residue means floors stay cleaner, longer.
- Hydrogen peroxide formula penetrates surfaces, oxidizes and eliminates source of odor.

Pure Crafted®

At Envirox, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safer, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of Envirox's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.
