Pot and Pan Detergent

SparClean Pot and Pan Detergent is specifically designed for manual washing of excessively soiled kitchen items. SparClean Pot and Pan Detergent will quickly and efficiently penetrate and emulsify baked on grease and food. Even in heavily soiled conditions, this concentrated formula demonstrates superior foam retention at lean dilutions. SparClean Pot and Pan Detergent can be used in both single sink and 3-sink systems.

COLOR AND NUMBER SYSTEM:

Each SparClean product is color and number coded for easy product identification. All product references and labels reflect this color and number, making training short and simple.

PACKAGING:

All SparClean products are packaged in translucent 5-gallon pails and gallons. The clear packaging allows you to see exactly what remains in your container and enables timely reorder of your warewash products.

SUPPORT ACCESSORIES:

Several dispensing options are available to complement the SparClean warewash line of products. We will also smooth your transition with training materials such as a general application SparClean Warewash Wall Chart.

DIRECTIONS FOR USE:

DO NOT MIX WITH OTHER CHEMICALS

Some individuals may be sensitive to ingredients in this product. Please read product label and MSD sheet prior to use. SparClean Pot and Pan Detergent is not intended for automatic dishwashing.

1. Always scrape dishes, pots, pans and utensils before placing them in wash sink.
2. Fill sink to fill line or desired capacity.
3. Dilute SparClean Pot and Pan Detergent as follows:

- a. For normal cleaning conditions: Dilute 1/4 oz. – 3/4 oz. per gallon of water
 - b. For extremely greasy/soiled conditions: Dilute 1 – 2 oz. per gallon of water
4. Change detergent solution as often as needed.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or at www.spartanchemical.com.
