

# GREEN EARTH®

## RESTROOM CLEANER

*This product is a heavy duty, cleaner that is chemically designed to remove heavy soap scum, body and tanning oils, mineral deposits and other soils found in all areas of the restroom including tile and grout surfaces, countertops, sinks and toilets. The formulation contains organic acids, powerful cleaning agents, scale-inhibiting agents and soil-suspending ingredients. It produces a rich, clinging foam that allows for maximum cleaning contact time on vertical surfaces.*

*This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.*

### Uses

- Restrooms
- Health clubs
- Hospitals
- Hotels
- Nursing homes
- Resorts
- Schools

### Performance Benefits

- Powerful – Removes heavy soap scum, body oils, sun tanning oils, mineral deposits and other tough soils from showers, bathtubs and other restroom surfaces.
- Foaming action allows for longer contact time and maximum penetration of tough soils.
- Pleasant, powerful fragrance.

### Environmental Benefits

- Non-corrosive (per OECD Guideline for testing of Chemicals number 404 "Acute Dermal Irritation/ Corrosion".) – Safer to use than conventional acids.
- Phosphate free.
- Non-fuming.
- Non-flammable.

### Properties

Color .....	Green
Foam .....	High
Film residue .....	Free rinsing
Fragrance .....	Citrus Floral
pH .....	< 2
Solubility in water .....	Complete
Cleaning Performance .....	Excellent
Rinsability .....	Complete

### Directions For Use

**Read the entire label before using this product.** Not effective against rust stains. Use on acid resistant surfaces only. Do not use this product on marble, aluminum, terrazzo, Formica® or carpeting. Test in an inconspicuous area before use. Contains acids, do not use with bleach, ammonia or any other chemicals. Spray product on surface to be cleaned. Allow clinging foam to contact surface for 4 - 6 minutes to penetrate deposits. Wipe with a sponge, cloth or brush. For MEDIUM SOILS dilute 1:20 or 6 oz./gal. For LIGHT SOILS dilute 1:64 or 2 oz./gal. SHOWERS: For large areas use a portable pump up sprayer. Spray on tile, grout, fixtures and tub surfaces. Let stand for 5 minutes and rinse. For heavier stains agitation with a brush or sponge may be necessary to completely remove the stain. FLOORS: Add directly to grout scrubber for removal of soap scum, hard water deposits, or other common restroom soils. Please consult your local solid waste agency, drain commissioner, or water quality contact for determination on appropriate disposal of unused material. Please recycle empty containers.

### Safety

Keep out of reach of children. For institutional and commercial use. **CAUTION:** MAY CAUSE SKIN AND EYE IRRITATION. Do not use with bleach, ammonia, or any other chemicals. Harmful if swallowed. **FIRST AID:** IF SPLASHED ON SKIN or in eyes, flush with large quantities of water for 15 minutes. IF INHALED, get to fresh air. IF SWALLOWED, do not induce vomiting. Call a physician immediately.
