Nothing Else Stacks Up

Fresh 'n Clear™

BOWLS AND LIDS

Lids can be custom-embossed for strong brand recognition.

It's not round, it's not square—it's scround! The unique scround design has a modern look with a custom container feel guaranteed to make your products stand out. Scround bowls are perfect for cold, ready-to-eat deli foods like lettuce salads, pasta and cut fruit to baked goods and nuts!

- Display cases not only look attractive and appealing, but space is maximized.
- Tight-fitting, leak-resistant lids help extend shelf life while preventing spills in the store as well as on the go.
- Stackable containers make merchandising easy and secure; nestable for cost-effective shipping and storage.
- Choose from three lid designs—flat lid with or without a unique wave design or dome lid for extra room.
- All bowls available in black or crystal clear EcoStar® post-consumer, recycled PET.
- Compartment bowls with center cup fit most major manufacturers' 4 oz. portion cups. Perfect for parties and snacks on the go.

A tight, leak-resistant 360° seal ensures juices, sauces and liquids stay securely contained.

Lid and base tabs are offset from the corners so the package is easy to open.
