

Twister Diamond Floor Pads - White

Key Benefits

Better Results

Cost Savings

Eco Savings

Safety

Satisfied Customers

Description

Twister is an innovative method for daily floor maintenance that cleans and polishes a variety of unprotected floors by using floor pads prepared with billions of microscopic diamonds. The Standard System is for low to medium traffic areas, such as schools, lobbies and areas with less than 5,000 visitors a day. It is a simple, safe, cost efficient and environmentally friendly approach to a professional cleaning, producing astonishing results on stone floors.

The Twister White pad is recommended to be used in sequence as the second step in the restoration process of the Standard System. The Twister White pad can be used for deep cleaning to remove tiny scratches and has a lifespan of approx. 150,000 – 350,000 ft² under optimal circumstances.

Twister Diamond Floor Pads - White

Instructions for use

- Select the appropriate Twister pad as the cleaning economy
- Mount side labelled "Machine Side" facing the machine and the colored side facing the floor
- Use water/cleaning solution with Twister
- Clean and polish
- After use, rinse the Twister pad
- When the color is gone, change the pad

Please note: The diamond impregnated side of the pad is colored and works as a wear indicator
