

Surface products that can do it all.

Maximize efficiency with easy-to-use
surface products that sanitize, clean,
and disinfect.

HELP PREVENT CROSS-CONTAMINATION

Quickly kill 99.9% of viruses and bacteria,
including E. Coli, norovirus, salmonella, listeria,
and COVID-19.

WORRY-FREE SANITIZING

No harsh chemicals. NSF Certified D2, EPA
approved no-rinse, food-contact sanitization.
No gloves or handwashing required.

VERSATILE COMPATIBILITY

Tough enough to kill norovirus, yet gentle and safe
on most hard and soft surfaces from highchairs to
restrooms, including electronics, food prep areas,
cutting implements, menus, tables, and appliances.
