RELIANCE is a highly concentrated detergent with a technologically advanced formulation for today's linens. Next generation detergency available now. This product contains wetting agents and detergents that break down surface tension and penetrate deep into the soils, removing stains and soils from the fabric. Non-ionic active blends give soils and greases no chance to permanently stain fabrics. These detergents have controlled sudsing to make rinsing faster and more effective, even in High Efficiency (HE) machines.

Penetrates tough stains.

Controlled sudsing.

Safe on all fabrics.

Fast rinsing.

Closed-loop system.

Approved for use in HE machines (2 x 1 gal F-Style).

Certified by the U.S. Environmental Protection Agency's Safer Choice program and contains ingredients with more positive health and environmental characteristics than conventional products.

EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Consult your Sunburst Chemicals representative for specific use directions.
