

# Material Safety Data Sheet

May be used to comply with  
OSHA's Hazard Communication Standard,  
29 CFR 1910.1200. Standard must be  
consulted for specific requirements.

# U.S. Department of Labor

Occupational Safety and Health Administration  
(Non-Mandatory-Form)  
Form Approved  
OMB No. 1218-0072

## IDENTITY (As Used on Label and List)

SPRAY KLEEN - GLASS & HARD SURFACE  
CLEANER

Note: Blank spaces are not permitted. If any item is not applicable, or no  
information is available, the space must be marked to indicate that.

## Section I

NA = Not Applicable NIA = No Information Available

### Manufacturer's Name

Sunburst Chemicals, Inc.

### Emergency Telephone Number

1-866-303-6943 (7 days/24 hours)

### Address (Number, Street, City, State, and ZIP Code)

220 W. 86th St.

### Telephone Number For Information

(952) 884-3144

Bloomington, MN 55420

### Date Prepared

10-20-10

### Signature of Preparer (optional)

## Section II - Hazardous Ingredients/Identity Information

### Hazardous Components (Specific Chemical Identity; Common Name(s))

### OSHA PEL

### ACGIH TLV

### Other Limits Recommended

### %(optional)

Contains no hazardous ingredients.

## Section III - Physical/Chemical Characteristics

### Boiling Point

212°F.

### Specific Gravity (H<sub>2</sub>O= 1)

1.00

### Vapor Pressure (mm Hg.)

NIA

### Melting Point

NA

### Vapor Density (AIR= 1)

NIA

### Evaporation Rate (Butyl Acetate = 1)

NIA

### Solubility In Water

Complete.

### Appearance and Odor

Blue liquid, slight odor.

## Section IV - Fire and Explosion Hazard Data

### Flash Point (Method Used)

None.

### Flammable Limits

### LEL

NA

### UEL

NA

### Extinguishing Media

Water, CO<sub>2</sub>, Dry chemical.

### Special Fire Fighting Procedures

None.

### Unusual Fire and Explosion Hazards

None.

| Signs and Symptoms of Exposure<br>EXTERNAL - redness of skin or eyes. INTERNAL - foul taste.                                                                                                                                             |                              |                        |                       |
| Medical Conditions Generally Aggravated by Exposure<br>Open sores or wounds.                                                                                                                                                             |                              |                        |                       |
| Emergency and First Aid Procedures<br>EXTERNAL - thoroughly rinse with water for at least 15 minutes. Get medical attention if irritation persists. INTERNAL - drink a large quantity of milk or water. Get immediate medical attention. |                              |                        |                       |

**Section VII - Precautions for Safe Handling and Use**

|                                                                                                                                                                                                                                                                                                       |  |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Steps to Be Taken in Case Material is Released or Spilled<br>Absorb spilled material with an absorbent material such as clay, sawdust, or sand. Sweep up as much of this as possible and place in a sealed, labeled container or in a proper landfill. Thoroughly rinse the affected area with water. |  |
| Waste Disposal Method<br>Spilled material should be collected as above for disposal in a landfill according to Federal, State and Local regulations. Any rinsing of the affected area should also be in accordance with Federal, State and Local regulations.                                         |  |
| Precautions to Be Taking in Handling and Storing<br>Keep tightly closed when not in use.                                                                                                                                                                                                              |  |
| Other Precautions<br>Avoid contact of product (or its use solutions) with skin, eyes or clothing. Keep out of reach of children.                                                                                                                                                                      |  |

**Section VIII – Control Measures**

|                                                                 |                                      |                                                        |
|-----------------------------------------------------------------|--------------------------------------|--------------------------------------------------------|
| Respiratory Protection ( <i>Specify Type</i> )<br>Not required. |                                      |                                                        |
| Ventilation                                                     | Local Exhaust<br>NIA                 | Special<br>NIA                                         |
|                                                                 | Mechanical ( <i>General</i> )<br>NIA | Other<br>NIA                                           |
| Protective Gloves<br>Rubber or vinyl.                           |                                      | Eye Protection<br>Safety glasses, goggles recommended. |
| Other Protective Clothing or Equipment<br>Not required.         |                                      |                                                        |
| Work/Hygienic Practices<br>Always wash hands after handling.    |                                      |                                                        |
