A Polished Presentation

Reflections™ has the same shine and silver sparkle of stainless steel cutlery, giving consumers a unique, formal alternative to white, black or clear disposable cutlery. Reflections™ is the only solution addressing both the need for a formal presentation and the high costs associated with renting or owning (cleaning, transporting and replacing) permanent flatware.

This minor change creates a valuable "WOW!" impression!

For a \$1,500 catered event, the incremental cost of Reflections™ cutlery versus other heavyweight disposable cutlery is just \$12 or less than 1%[1].

*Reflections™
GRAND™*

Reflections™ Grand™ fork and knife are heavier and larger than standard Reflections™ for certain food presentations that require a higher level of performance.

*Reflections™
Petites™*

Reflections™ Petites™ tasting fork and spoon are the perfect accent to Reflections™ cutlery and ideal for 'small plates', a leading trend in the foodservice industry.

The tasting fork is well-suited for use as a utensil for gourmet tid-bits, a skewer for finger foods, or a seafood pick.

The tasting spoon is sized for smaller portions of mousse, soup, fruit salad, and more! Also, they are useful for condiments, sauces, chutneys, salsas, and dips.

Popularity of Reflections™, the patented* single-use silverware.

Ready-to-Use in Style!

Reflections™ napkin roll and self-service cutlery kits allow you to enjoy all the benefits of Reflections™ without the labor.

Reflections™ napkin rolls offer premium performance with disposable convenience. Ready-to-use sets eliminate preparation time, reducing the high costs of labor, without compromising an upscale presentation.

Preassembled sets include upscale Reflections™ cutlery enclosed in a linen-like dinner napkin and sealed with an elegant band. Convenient case packs comprised of four 30-count bags, makes planning for various sized events easy.

Create a formal presentation with a sanitary cutlery option that disposable black and white cutlery kits cannot match.

Add a formal, upscale touch to boxed lunches (for corporate outings, golf events, etc.), take-out dining, and salad bars.

Choose from our original REFKITs or the LUXKITs with a linen-like napkin!

- The remarkable shine and elegance of stainless steel utensils, plus a unique alternative to black, clear or white disposables.
- The elegant fluted pattern on the Serving Utensils matches perfectly with Reflections™ cutlery.
- Unique tong design is engineered for enhanced strength and durability.
- Clever hook conveniently secures tong to edge of bowl or tray.
- Tong's gripping texture provides secure food lifting.

Service in Style

Serving utensils enhance carry out, drop and go, and off-premise catering presentations. Stainless steel utensils require additional labor, have a high percentage of accidental disposal, and economical options often lack a quality appearance.
