

Cruiser Bowl™ Containers & Lids

Designed to Move. Affordable and Versatile.

Sustainable packaging solutions from D&W Fine Pack

Fast: Be active. D&W Fine Pack™ offers Cruiser Bowl™ containers and lids to help make grab-and-go meals a snap! Make convenient, one-stop meals that are ready to go on any schedule. And with multiple sizes, it's simple to serve a family-size or a single-serve meal.

Friendly: Say hello to easy. Each of our 10 bowls is available with easy-close lids. Our Power Seal™ lids keep food right where it should be, so there's no need to worry about messy leaks or spills. With our easy-open tabs, food is accessible fast, without a hassle. And since our Cruiser Bowl containers come with a ribbed design, they're easy to handle.

Smart: Think fresh ideas. Our Cruiser Bowl collection is microwaveable, freezable and top-rack dishwasher safe. They'll keep the temperature just right, since each container — including the lid — is completely microwaveable up to 230° F. Serve straight from the microwave to the table for convenience and an appealing presentation.

Stackable: Take them anywhere! Our full range of sizes stack up with a sturdy design, making them easy to transport and store. And since they're designed with a secure interlocking system, your food will be safe and stay in place.

Sustainable: Enjoy recyclable¹, reusable and responsible packaging. Cruiser Bowl containers and lids are made from D&W's exclusive C-Green® material, talc-filled polypropylene. C-Green material is engineered to reduce the overall use of plastic resin while keeping the product integrity. Quality and sustainability all in one package.
