Digester Bio Enzymatic Cleaner

38

PLUSTM
LABEL SYSTEM
PATENT PENDING

DESCRIPTION

This product is Mother Nature's first assistant in helping to digest and degrade grease, oil, and fats in the entire waste system. Specifically designed to make your toilets, sinks, showers, and pipelines sparkle like they never have before while enhancing and maintaining the efficient operation of sewage treatment systems. Clean more effectively and reduce your need for hazardous chemicals such as acids, caustics, and bleach.

Please read entire container label for detailed instructions and safety information.
