Molded fiber cafeteria trays

- SAVADAY® cafeteria trays hold up to the heaviest of wet and dry foods.
- Available in traditional rectangular shape and round plate.
- Round plate mimics shape of dishware used at home, teaching portion control.
- Drink compartment in the middle of the round tray helps prevent bending.
- Produced in the USA using materials sourced from North America.
- Shrink-wrapped packaging and smaller packs provide easier handling and reduce costs by allowing higher volume per truckload and reducing freight cost.
- Economical, environmentally conscious alternative to foam.

Sustainable Features

- Made from at least 25% recycled material and 75% renewable resources.
- Compostable.
