Peroxide Citrus 2-N-1 Cleaner RTU

DESCRIPTION

This product is a blend of two powerful, yet environmentally friendly technologies. Natural citrus solvents solubilize petroleum soils, greases, and other organic soils. Stabilized hydrogen peroxide provides color-safe spot removal and deodorization from carpets, fabrics, and other sensitive surfaces. Cleans, whitens, brightens and deodorizes most hard and soft surfaces including floors, walls, tile, grout, color-fast fabrics, wood, upholstery, stainless steel, and other surfaces not harmed by water.

Always pretest unknown surfaces in a hidden area for colorfastness and compatibility before applying to entire surface.

Please read entire container label for detailed instructions and safety information.

DIRECTIONS

-  **1** Wear safety glasses & gloves
Usar gafas de seguridad y guantes
-  **2** Test in an inconspicuous area
Hacer una prueba en un área discreta
-  **3** Apply to surface
Aplicar a la superficie
-  **4** Wait 2 - 3 minutes
Esperar de 2 - 3 minutos
