

## Foaming Carpet Shampoo

### DESCRIPTION

This product will remove deep embedded soil from your carpet. Quickly penetrating and encapsulating soil, this product not only cleans but brightens carpet fibers as well. When deep scrubbing is the procedure, this product is the carpet professional's product of choice.

Pleasantly scented, foaming carpet cleaner penetrates carpet fibers and removes all types of commonly encountered soils. Dries to a brittle powder so that it and the trapped soils can be easily vacuumed away.

*Please read entire container label for detailed instructions and safety information.*
