- Antimicrobial treatment protects towel from odor-causing bacteria, mold and mildew growth.
- Towels engineered to not break down in sanitizing or disinfecting solutions.
- Towels engineered to not break down in sanitizing or disinfecting solutions.

Description

Only available in the US. Cascades PRO Tuff-Job® Antimicrobial Foodservice towels are engineered for strength, durability and absorbency – wet or dry. The antimicrobial protection inhibits the growth of odor-causing bacteria, mold and mildew within the towel, ensuring the towel stays fresh and clean. Designed to provide superior cleaning performance whether used dry or with harsh sanitizers or disinfecting solutions, these towels are easy to rinse clean and fast drying ensuring a long-lasting product. Color towel options aid in prevention of cross-contamination by keeping cleaning functions separate and distinct.
