

ProWorks® Nitrile Exam, PF, Black, 5 mil

Key Features

ProWorks® Black Nitrile Powder Free Exam Gloves are formulated with 100% synthetic nitrile polymer, are latex free, powder free and odor free. Although these gloves are thicker, they are still much softer and more elastic than most other brands of nitrile gloves of the same thickness. Gloves provide superior puncture, tear and chemical resistance to latex gloves. The textured surface provides strong grip for both wet and dry applications. Ideal for use in any general purpose, industrial or mechanical application including construction, law enforcement, agriculture, beauty salons and more.

SKU	GL-N145FL
Brand	ProWorks®
Case Height (inches)	9.75
Case Length (inches)	13.50
Case Weight (lbs.)	13.60
Case Width (inches)	10.50
Certification	ASTM D6319, FDA CFR TITLE 21 FOOD ADDITIVE REGULATIONS PART 174-178
