

Nilium Water Soluble Neutralizer Concentrate red clover tea

Provides effective deodorizing power on any water-safe surface. 1 oz. makes 1 gallon of product. Use in mop water, cleaning solutions, add to laundry, add to latex paint or simply add to water and use as a general air freshener. Nilodor Surface Deodorizer Concentrate provides effective deodorizing power. Simply mix one ounce to one gallon of water and apply to any water-safe surface. Spray, mop or wipe and enjoy its neutralizing power.

Key Features

- Nilium will neutralize malodors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time.
- Nilium will provide immediate relief from the malodor leaving a pleasing fragrance, while Super N Concentrate works to physically neutralize the malodor.
- One application of Nilium will counteract odors up to 24 hours.
