

Safety Zone® Economy Nitrile Flock Lined 15 Mil Gloves, Green, Medium

Safety Zone® nitrile, flock-lined 15 mil gloves provide reliable hand protection for general cleaning, dishwashing, and food handling. Made from waterproof, flexible nitrile, they resist mild cleaning agents, water-based chemicals, acids, fats, alkalis, alcohols, acetone, and some solvents, while the 15 mil thickness resists minor tears and punctures. A soft cotton flock lining keeps hands dry and comfortable, and a raised diamond texture ensures a secure, non-slip grip. The 12-inch length with rolled cuffs diverts water and makes gloves easy to don and remove. Bright green and cost-effective, these gloves offer flexibility, touch sensitivity, and dexterity for janitorial, warewashing, food processing, light chemical handling, and general cleaning tasks. Hospeco Brands Group is trusted nationwide for high-quality products that support hygiene, safety, and efficiency in "away-from-home" spaces.

Key Features

- An economy-conscious option, perfect for household cleaning applications including commercial dishwashing, food handling, food service, light chemical handling, and janitorial tasks
- Popular for household and commercial cleaning staff, dishwasher, foodservice, and kitchen prep work, due to their increased resistance to animal fats, oil, and grease
- A flocked lining strengthens the glove body, absorbs moisture, cushions hands for comfort during extended wear, and eases donning and doffing gloves quickly
- The 15 mil thickness provides general protection, resisting minor tears and punctures, while the 12 inch length protects wrists and lower arms
- Raised diamond patterned texture to create a more secure, non-slip grip for dry and wet conditions
