NEW BRONCO™

Durability Molded In.

Need a solution for all of your waste and material handling needs? Turn to Sparta® Bronco™ for benefits you can actually see! Built with commercial environments in mind, Bronco waste containers feature durable plastic walls and reinforced drag skids to provide the durability you expect, no matter the job. Whether used for a hotel, a restaurant or a cleaning business, Bronco is sure to meet your cleanliness needs with long-lasting reliability!

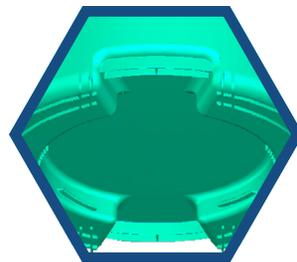

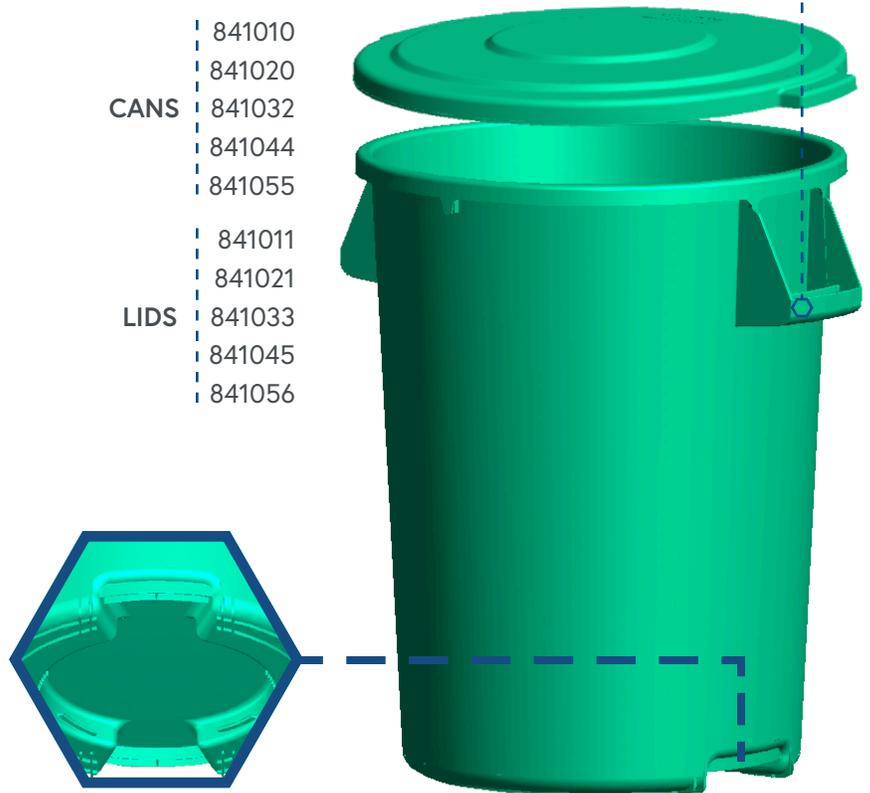

Features & Benefits

- Durable Construction - Made of extra thick plastic and reinforced with drag skids for maximum longevity
- Integrated ergonomic hand holds on the bottom of the can make emptying contents easy and efficient
- Locking lids snap down and press-pull lids stay on and remove with ease
- Food Safe - NSF 2 and NSF 21 certified for storing, separating and color-coding various food products
- Color Code Program - Aligns with (HACCP) practices and promotes an integrated color-coded sanitary maintenance system
- Features added to prevent cans from vacuum sealing while nested
