

WOW! SPOT REMOVER safely cleans the toughest stains (such as Betadine[®], fruit juice, oil, ketchup, wine, coffee, iodine, pet stains, ink, grease, blood, vomit) from carpet and water-safe fabrics, such as clothing, furniture and automobile upholstery. The unique formula utilizes a proprietary blend of sequester agents, surfactants and hyper-wetting agents. It also incorporates a stain repellent that protects against future stains. Rinse not required.

Versatile to work on many different surfaces:

- Carpet
- Upholstery
- Car interiors
- Tablecloths
- Clothing
- Furniture

Safely Removes:

- Coffee
- Blood
- Cranberry Juice
- Chocolate
- Grease
- Iodine
- Betadine[®]
- Ketchup
- Grass Stains
- Urine
- Pet Accidents
- Tea
- Wine

Features and Benefits:

- Contains no solvents, bleach or harsh chemicals
- After use, will not leave a residual ring

How to Use:

Test for colorfastness before use by applying in an inconspicuous area. Apply a small amount of cleaner to a clean, white cloth and gently blot test area. If no color transfers to cloth or no change in original fabric occurs, continue with directions below.

1. Remove all loose debris.
2. Apply WOW! Spot Remover directly to the soiled area or to a clean, soft white cloth.
3. Gently agitate or brush product into stain.
4. Work from edge of spot toward center to avoid spreading.
5. Blot with a clean white towel.
