

Impact® Cone Toilet Bowl Mop, White, 50/cs

The Impact® Cone Toilet Bowl Mop is engineered for effective, reliable restroom cleaning in professional environments. Its tapered, funnel-style design allows the mop head to easily reach under the rim and into hard-to-access areas, ensuring a thorough clean. Constructed with durable, acid-resistant polypropylene strands, it provides excellent absorbency and long-lasting performance. The friction-fit cone slides over the mop head to remove excess liquid, helping reduce drips and improve control during use, and can also function as a no-leak funnel for added convenience. A heavy-duty handle offers strength and durability for repeated use. Ideal for janitorial, industrial, and facility maintenance settings, this mop delivers efficient, hygienic cleaning results.

Key Features

- Friction-fit cone allows for removal of excess liquid from the mop head
- Heavy duty round handle
- 2-in-1 no-leak cone tool, can remove and use as funnel
- 5.5" diameter polypropylene strands
