

Safety Zone® Precision® Nitrile Exam Gloves, Powder-Free, 10x100, Blue Violet, 4 mil - Large

Precision® Nitrile Powder Free Exam Gloves are engineered to provide dependable protection, comfort, and precision for a wide range of professional applications including medical examinations, food handling, laboratory work, and facility tasks. Crafted from 4 mil nitrile, these disposable gloves offer a strong barrier against tears and punctures while preserving superior flexibility and tactile sensitivity for detailed work. Their powder-free, latex-free design helps reduce contamination risk and minimizes potential allergic reactions, while the ultra-soft, low modulus construction reduces hand fatigue during extended wear. These ASTM D6319 exam-grade gloves feature a micro-textured surface for enhanced grip, making them ideal for environments where hygiene, performance, and user comfort are essential. Ambidextrous and easy to don, they deliver trusted protection and versatility across demanding professional settings.
