Touch-free dispensing		YES
Energy-on-the-Refill – touch free and no batteries to change		YES
Optional modules add capability for service alerts and compliance monitoring		YES

Victoria Bay Dispensing Systems

When you choose new Victoria Bay dispensing systems, you're getting the most advanced technology available in a touch-free system. Imagine never having to change out batteries because they are included on every refill!

Sleek Front and Side Windows

Make it easy to see when dispensers need service.

Contemporary Design

A variety of color options to match any decor.

Personalize with Your Logo

Add your logo to the dispenser. For large installations we can personalize the entire front of the dispenser. Contact your distributor for details.

Communication Capability

Optional plug-in modules let you add service alerts or other upgrades as technology evolves.

Easy to Pair Dispensers with Refills

Labels inside the dispensers match labels on the refill, so it's easy to match the correct dispenser and refill.

Built for Sustainable Performance

The Victoria Bay CB8 system represents a 68% reduction in battery waste when compared to leading touch-free systems on the market.¹

Battery Waste Over Dispenser Lifetime

Based on battery weight at a usage rate of 3 refills per dispenser, per year. Savings calculated based on a 6-year dispenser lifetime, compared to leading traditional touch-free systems.

Breakthrough Energy-on-the-Refill Technology

Each new refill comes with its own energy source – a coin cell battery that’s integrated into the refill. When you replace the empty refill, you get fresh product and fresh energy in one simple step. Back-up power inside the dispenser provides added assurance of high performance — even with extreme high-frequency use.

Easy Recycling and Disposal

PET bottle and refill components are easy to disassemble, including removal of the battery.

A Variety of Victoria Bay Foam Soap Options

Victoria Bay Foam Soap dispensers are available with spa-like formulations that are pleasant to use and feature luxurious lather.

Choose foam soap, antibacterial foam soap, or our breakthrough new Victoria Bay Ultra Clean Foam Hand Soap with CLEAN RELEASE® Technology. Unlike regular soap, Ultra Clean Foam Hand Soap removes over 99% of dirt and germs – without the use of antibacterial ingredients!²

Breakthrough Innovation in Hand Soap

Victoria Bay Ultra Clean Foam Hand Soap with CLEAN RELEASE® Technology

Healthy skin is cleaner skin. Victoria Bay Ultra Clean Hand Soap with CLEAN RELEASE™ Technology sets a new standard for soap performance. This remarkably mild formulation is gentle on skin, contains no antibacterial ingredients² or harsh preservatives, and removes over 99% of dirt and germs.

Scientific Breakthrough in Skin Health

Formulated for dry and sensitive skin, hypoallergenic Victoria Bay Ultra Clean Foam Hand Soap with CLEAN RELEASE Technology is free of these ingredients, so it is better for skin.

- **CLEANER INGREDIENTS**
Free of harsh preservatives, antibacterials,² parabens, and phthalates
- **BETTER WASH EXPERIENCE**
95% preferred over regular soap³

CLEAN RELEASE Technology Helps Soap Work Better

CLEAN RELEASE Technology boosts soap performance. It reaches deeper into skin's cracks and crevices to gently remove more dirt and germs than regular soap.^{2,4,5}

- **DIRT REMOVAL** – Removes 30% more dirt than regular soap⁵

Regular Soap⁶

Can't get to tough-to-reach areas where dirt and germs may hide.

CLEAN RELEASE Technology

Reaches into skin's cracks and crevices 2X better to lift and wash away more than 99% of dirt and germs.^{5,7,8}

Better for You and the Environment

CLEAN RELEASE Technology soaps are made with naturally derived ingredients, far exceeding the 64% USDA requirement. It rinses faster and cleaner to conserve water.

- **90% BIOBASED CONTENT**
Far exceeding the 64% USDA requirement
- **WATER CONSERVATION**
Saves an estimated 6 gallons per refill compared to regular soap^{6,9}
