

Safety Zone® VPF® Vinyl Exam Gloves, Powder-Free, 10x100, Clear, 4 mil - Large

The Safety Zone® VPF® Vinyl Exam Glove delivers reliable, economical hand protection for a wide range of environments. These translucent, powder-free vinyl gloves are made from soft, flexible PVC material that feels supple like premium leather while providing a comfortable, snug fit. Designed as an examination-grade, disposable glove, they are 100% latex-free, eliminating the risk of latex protein-related allergies, and meet industry standards including ASTM D5250 and FDA CFR Title 21 regulations. With a 4-mil thickness and a smooth finish for ease of use, these gloves offer practical performance for healthcare, food handling, industrial, or general everyday tasks where dependable hand safety is essential.

****Adenna branding is changing to Safety Zone®. The gloves are the exact same, but our branding and packaging is being updated. Please note that this will be a rolling change and you may receive mixed packaging styles until our inventory is depleted.****
