# One Kit For Each Worker

Our 5D Clean™ Kit provide a productive, safe and ergonomic worker experience.

**GREEN** Part# eCAFETERIA Kit

*The above example is all items included in the eRESTROOM™ KIT.*

# The eCART® Cleaning System

## What is it?

Created directly from our customers input and is the perfect companion for the 5D Clean™ Systems. It's evolution stems from customers wanting durability, versatility, compact functionality and a "all-in-one" cleaning solution. The best part, the modular and customizable design means you have the ability to create a cart configuration that fits perfectly into your cleaning routine.

### 1 2-Way Drawer Access

- ✓ Drawers open from both sides of carts
- ✓ Fits PTBUCKET or 2 PTMINI Buckets

### 2 PTBUCKET, DUO or X-Scrub® PRO Ramp

- ✓ Choose the type of bucket platform
- ✓ Transport the X-Scrub® PRO

### 3 Handle Holders

- ✓ Extra wide, recessed slots won't bump/scratch walls
- ✓ Holds 5 handles with nothing to break, 10-Year warranty

### 4 PTMINI Buckets or Charger

- ✓ Pre-Treat with convenient access
- ✓ Store the X-Scrub® PRO charger and extra batteries

### 5 Video Holder

- ✓ Training at your fingertips

### 6 eTROWEL® Access/Glove Box Storage

- ✓ Easy placement for tools
- ✓ Save time & money

### 7 Custom Labeling

- ✓ Standard license plate size logo template to identify workers, area, etc.
- ✓ Customizable for the facility (optional)

### 8 Heavy Duty Utility Bag

- ✓ Zipper-top closure with custom logo pocket
- ✓ Quick release trash removal

### 9 Roto-mold Construction

- ✓ Durable Functionality

### ✓ 10-year warranty

### 10 Stable Platform Caster-centric

- ✓ Push with ease and smoothly rolls over expansion joints
- ✓ 7" Rear wheel multi-bearing and 5" Front wheel multi-bearing
