Quality products for everyday needs.

Heavy Duty Degreaser

DESCRIPTION

This powerful concentrate provides the grease and grime removal properties of a solvent cleaner in a water-based degreaser that is much easier and safer to use than solvents. After diluting to the desired strength, this economical product provides a solution which may be simply sprayed or mopped on and wiped off in most applications. Effectively removes grease, wax, gum, dirt, oil, ink, mildew and mold stains, carbon, lipstick, or almost any tough soil from virtually all surfaces. Due to low foaming qualities, this versatile product is also ideal for use with automatic scrubbers.

NOTE: Not for use on glass. If incidental contact occurs, immediately rinse thoroughly with plenty of water. Never allow product to dry on glass surface.

Please read entire container label for detailed instructions and safety information.

DIRECTIONS

1  **Wear safety glasses & gloves**
Usar gafas de seguridad y guantes
