

The versatile small space air freshener

Freshen small spaces for 30 days with this innovatively designed passive air freshener. Comes with or without a suction cup for easy installation.

Freshens for 30 days

The unique zig-zag design promotes airflow and fragrance release for consistent freshness.

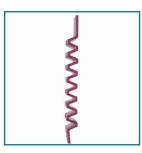

Versatile

Purchase with a tiny suction cup to mount to smooth surfaces or without and use the opening to hang from restroom stall hooks, toilet flusher handles, place in vents, vacuum cleaner bags, and more.

Eco-friendly

100% recyclable, no batteries, and contains no acetone or propellants.
