

Aluminum **Two Piece Containers**

Takeout or delivery, hot and cold foods will travel securely - looking delicious and staying fresh - in Pactiv Evergreen's all-purpose aluminum foil containers.

Recyclable

Our aluminum bases are recyclable. Recycling products gives them a second life. Check locally: may not be recyclable in your area.

Excellent temperature endurance

These containers can be stored in freezer, refrigerated or baked in the oven. Not suggested for microwave use.

Take it to-go

Pair with our economical foil-laminated paperboard or crystal-clear plastic dome lids for transporting leftovers, takeout, or delivery.

No messy meals

These aluminum food containers help lock in heat, moisture, and flavor so you can serve your best.

Virtual Packaging Assistant

The Virtual Packaging Assistant (VPA) app can be used for all of your Foodservice Packaging Solutions! It is available for download on all Apple, Android and Windows devices.

These guidelines are supplied to assist you in determining the proper use of Pactiv Evergreen products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
