Anti-Bacterial Hand Soap

DESCRIPTION

This product is a thick, rich, pearlescent hand soap that kills germs on contact and will effectively remove bacteria from your hands. It is both pleasant to use and mild to the skin, providing that extra peace of mind in today's germ-laden environments. For use in positive pressure dispensers.

Read entire container label for detailed instructions and safety information.

DIRECTIONS

-  **1** Wet hands and apply soap
Mojarse las manos y aplicar jabón
