Introducing

the touchless Cassette with KLEENEX® Brand luxury foam soap...

From the **hygienic**, touchless dispenser to the luxurious KLEENEX® Foam Soap that goes into it, our Electronic Cassette Skin Care System makes hand washing pure pleasure.

The latest skin care **innovation** from KIMBERLY-CLARK PROFESSIONAL*, this electronic system represents the height of hygienic operation.

While research shows that 25% of unsealed bulk soap systems are contaminated with potentially harmful bacteria, this system is sealed to eliminate the contamination threat.

You can count on its reliable, **touchless** operation to reduce cross contamination and the spread of germs.

Designed expressly for use in the new **Electronic** Skin Care Dispenser, KLEENEX® Luxury Foam Soap delivers all the **quality** and innovation you'd expect from the KLEENEX® Brand. With its light, smooth and luxurious feel, this foam soap makes users feel pampered as they wash.
