Quality products for everyday needs.

## Freezer Cleaner

### DESCRIPTION

This unique blend of non-freezing solvents and surfactants effectively loosens all types of organic soils from freezer walls, floors, ceilings and shelving. Quickly loosens greases, fats, oils, food deposits, and other freezer soils. When used as directed, this product allows for easy soil removal without freezing. This product is not meant to be used with water or diluted.

*Please read entire container label for detailed instructions and safety information.*
