Alcohol Glass Cleaner

DESCRIPTION

The fastest, most effective glass cleaner ever made. Nothing works better! Alcohol Glass Cleaner is a synergistic blend of surfactant and detergent, fortified with alcohol. Alcohol Glass Cleaner is the perfect product for light and general cleaning on any surface. It is especially effective against lipstick, soap scum and greasy handprints on mirrors and glass surfaces. Perfect for food service display cases and counters, quickly cleans food spills, greases and other difficult soils. Streak free and film free Alcohol Glass Cleaner leaves surfaces shining. No more wiping two, three, or four times to dry the surface, Alcohol Glass Cleaner dries with one wipe (using an absorbent wiper/towel). Alcohol Glass Cleaner is strong... fast... and effective.

Please read entire container label for detailed instructions and safety information.
