

Eco Bowl Clip

Fight odors at the source

This high performing clip is packed with fragrance and makes it easy to attack odors right at the source.

Effective

Contains 30x more fragrance than the standard rim-stick and releases fragrance for 30 days.

Easy to use

Simply place the clip, logo side out, on the toilet rim and lower the seat.

Cares for the environment

Will not dissolve in or pollute the water. Does not contain any acetone or propellants so there's no sticky residue.
