RD - Liquid Laundry Detergent

DESCRIPTION

This product is a quality non-built phosphate free liquid laundry detergent. It is designed to be used in a system where the builder is added as a separate product. Fortified with a special blend of synthetic detergents, sequestrants, dispersants and optical brighteners, this product excels in giving very white and bright linen in a number of laundry water conditions and applications. For manual dispensing, use 1 oz per 10 lb of laundry and follow normal laundry procedures.

Please read entire container label for detailed instructions and safety information.
