

## Peroxide Citrus 2-N-1 Cleaner/Degreaser

### DESCRIPTION

This product is a blend of two powerful, yet environmentally friendly technologies. Natural citrus solvents solubilize petroleum soils, greases, and other organic soils. Stabilized hydrogen peroxide provides color-safe spot removal and deodorization from carpets, fabrics, and other sensitive surfaces. Cleans, whitens, brightens, and deodorizes most hard and soft surfaces including floors, walls, tile, grout, color-fast fabrics, wood, upholstery, stainless steel, and other surfaces not harmed by water.

Always pretest unknown surfaces in a hidden area for colorfastness and compatibility before applying to entire surface.

*Please read entire container label for detailed instructions and safety information.*
