## Norman

## Laundry Stain Remover

Fragrance Free

*Norman* is a one step stain remover that can be used either to re-claim white linen in the commercial laundry wash wheel or as a pre-soak stain removing activator for difficult-to-remove stains. It'll revitalize your linen and reduce linen replacement costs. When used at a properly controlled rate, Norman does not reduce tensile strength of common fabrics such as cotton, polyester and blends. This product is not for use on delicate fabrics such as wool and silk.

#### DIRECTIONS FOR USE

Norman is for industrial use only. As a general guide, use 2 - 3 lbs of Norman for every 100 lbs of textiles.

Consult your Cleanslate technical representative for specific use directions.

#### DANGER

##### HAZARD STATEMENTS

Causes severe skin burns and eye damage. Harmful if inhaled.

##### PRECAUTIONARY STATEMENTS.

Wear protective gloves, splash goggles, face shield, full suit, respirator and boots. Do not breathe dust /mist. Wash thoroughly
