

Universal Reclaim Detergent

DESCRIPTION

LINEN: A universal chlorinated detergent used to reclaim and recondition stained linen. Effective on F & B stained linen as well as other common hotel and motel linens.

KITCHEN: This detergent can also be used to recondition most rejected items such as food soils and/or stains found on kitchenware. This alkaline, free-rinsing white powder is designed for multiple uses in commercial automatic dish and laundry machines.

Contains power released chlorine bleach to aid in stain removal and cleaning.

NOT SAFE FOR USE ON ALUMINUM, PEWTER, OR OTHER SOFT METAL SURFACES.

Please read entire container label for detailed instructions and safety information.
