

# power screen™

## 30+ Day Anti-Splash Urinal Screens

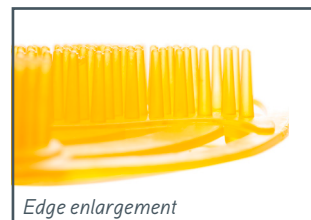

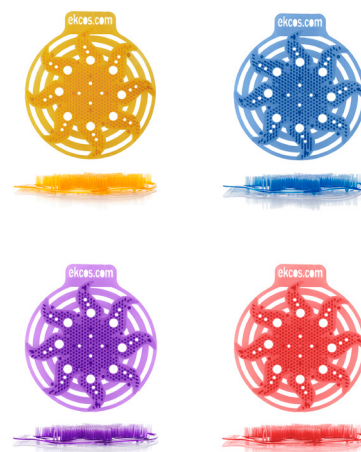

Anti-splash urinal screen designed to prevent splashback, protect the floors, and reduce odors for 30 days or more.

### Features & Benefits

- Patented sealed bristle technology helps eliminate urine splashback which contributes to deterioration of floors and wall surroundings
- Flexible plastic to conform to any size/shape urinal
- Infused with a proprietary resin that uses time released deodorant technology for 30+ days
- Variety of colorful urinal screens with refreshing fragrances
- Biodegradable\* Benefits, VOC compliant and 100% recyclable plastic
- Designed for heavily trafficked public restrooms, such as those found in hotels, convention centers, restaurants, and hospitals

### Applications

- Use in watered and waterless urinals

# power screen™

## 30+ Day Anti-Splash Urinal Screens

### Use instructions

- Remove old urinal screen from the urinal and recycle properly.
- Remove any debris in the urinal.
- Clean the urinal with a bowl or restroom cleaner.
- Remove the urinal screen from its plastic packaging.

\*This product is designed to biodegrade in a biological active landfill (appropriate facilities not available in all areas). Testing ASTM D5511-2 that we have conducted represent biologically active landfills on our products have shown 99% biodegradation in less than 5 years.

### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
