PUROXCIDE is the safest EPA Registered disinfectant cleaner on the planet. One product diluted to 2 strengths, light duty (green) and heavy duty (red). Use PUROXCIDE to clean, disinfect, degrease and deodorize any water-safe surface. Use to clean glass, mirrors, walls, stalls floors, toilets, sinks, desks, cafeteria tables, fitness centers, medical, etc. PUROXCIDE is hypoallergenic and residue free. After cleaning with PUROXCIDE, the peroxide breaks down to oxygen and water.

PUROXCIDE can be easily dispensed through the wall-mounted Puroxide Dispensing System.
