WARNING:
Electrical Danger Turn Power Off

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

19 Connect arm wires using plug-in connectors on top and bottom tiers. See detailed illustration.

20 Push wires into hole and attach arm into place by tightening screws.

21 Install bobèche on every arm and screw bulbs into all sockets and test fixture before trimming. If any of the bulbs do NOT light - DISCONNECT POWER. Double check the wire connections.

22 Install scroll(s) into hole pattern in top washer. Tighten screw to secure scroll(s) in place.
