

The background is a teal-tinted photograph of a modern building with large glass windows. In the foreground, the silhouettes of several people are visible, some walking and some standing. The overall scene is an urban setting.

WSJ +

Concept: Fortune Favors The Ambitious

In this campaign, we show how our ambitious overachievers maximize their time, working at all hours to use WSJ+ and reach their goals.

This campaign captures our audience switched on, when most people switch off, as they use precious and pivotal time in their day to leverage WSJ+, giving us a window into their ambition for success.

Final Creative

No rest for the determined.
